Nina's Diary

November, 23rd, Sunday

Today, Daniel asked me for a date, and we had dinner in Coco's. I was so happy to see him!

There was no spaghetti and steak in Coco's. But I still couldn't make a choice at first because all the food on the menu looked so decilious. Daniel ordered the steamed dumplings and beef noodles. They both taste good, and the steamed dumplings went well with the special soy souce.

After having dinner, an embarrassing thing happened. I lost my wallet on the bus! But Daniel said "Don't worry. It's on me!" Then I told him, "Thank you so much! I will pay for the movie tickets in return if we go out next week." Then he said, "No problem! Wow, we will see each other soon!"

Today is a lucky day for me though I got wet because of the heavy rain. I must have a good sleep tonight!
