Ryan: My hobbies are playing computer games and making friends online. We often share our funny stories by e-mail. I guess I will learn more about computers and make super-smart computer programs.

Bill: My parents have kept lots of pets since I was little. We've experienced many things together, good and bad, happy and sad. Those stories have always stayed in my mind. One day, I will share them with people by drawing and writing books.

Anna: Though my mom and two sisters are all doctors, I'm sure I will stay as far away from a hospital as I can. I hate being sick, and I'm afraid of seeing sick people looking weak and sad.
